

Plexada System Integrators Achieves Three Oracle PartnerNetwork Specializations

Oracle Recognizes Plexada System Integrators for Expertise in Implementing Oracle Sales Cloud, Oracle Siebel CRM 8 and Oracle Business Intelligence Applications 7

31 March 2014

Plexada System Integrators, an IT company based in Nigeria and a Gold level member of Oracle® Partner Network (OPN), today announced it has achieved OPN Specialized status for Oracle Sales Cloud, Oracle Siebel CRM 8 and Oracle Business Intelligence Applications.

To achieve OPN Specialized status, Oracle partners are required to meet a stringent set of requirements that are based on the needs and priorities of the customer and partner community. By achieving Oracle Specialization, Plexada System Integrators has been recognized by Oracle for its expertise in delivering services specifically around Oracle Sales Cloud (a part of Oracle Customer Experience Cloud), Oracle Siebel CRM and Oracle Business Intelligence Applications through competency development, business results and proven success.

Plexada System Integrators is a business specializing in implementing customer relationship management (CRM) and business intelligence (BI) solutions. The company has successfully implemented and supported the solutions across both the Commercial and Public Sectors. Plexada's expertise in Oracle's industry solutions leverages their comprehensive portfolio of skills to address the unique business requirements of specific industry segments. With solutions for government, financial houses, public sector organizations, media and entertainment and more, Plexada enables organizations to speed time to market, reduce costs and gain a competitive advantage. Plexada helps customers implement best-in-class Oracle Customer Relationship Management and Oracle Business Intelligence solutions for operational excellence, business analytics and data and information management. Plexada's experience in the portfolio of Oracle business solutions can address a range of customer needs including social relationship management, customer relationship management & the overall customer experience.

Supporting Quotes

"Completing the specific requirements needed to achieve OPN Specialized status, is a real testament to Plexada System Integrators' hard work and drive to differentiate themselves in the marketplace and distinguish their offerings," said Adebayo Sanni, Managing Director, Oracle Nigeria.

"Achieving OPN Specialized status for Oracle Sales Cloud, Oracle Siebel CRM and Oracle Business Intelligence Applications represents a step further in expanding and improving our customer experience services. It was important for us to have Oracle certify our skills and competency achievements, and support our solutions expertise and knowledge. The OPN Specialization shows our clients that their projects are in the hands of a skilled company," explained Plexada Support Director, Mrs. Nnenna Oli.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more, visit <http://www.oracle.com/partners>.
